## Religious News Notes.

ELD. J. S. SWEENEY announced Sunday that if his health did not improve he would be compelled to give up his charge of the Paris Christian Church—at least for a time. Eld. Chas. Loos, of Lexington, filled Eld. Sweeney's pulpit Sunday.

It is probable that Eld. Zach Sweeney, of Columbus, Ind., will come to this city soon to conduct a revival.

## An Intelligent Cat.

DR. W. M. MILLER, of Millersburg, is the possessor of a remarkably intelligent Maltese cat. She will rattle the inside shutters when she wants to get out of the house and when she wants to get in she jumps up and rings the door bell. A number of persons have seen her ring the bell.

## Mrs. Rion's Millinery Openings.

I RESPECTFULLY invite all the ladies of Paris and surrounding territory to visit my millinery rooms and inspect my handsome Spring stock. I have employed Miss Corbett, an expert and experienced trimmer of Cincinnati, to superintend my trimming department. The numerous elegant creations that she has prepared for my Spring openings (Friday and Saturday, April 24 and 25) will certainly afford much pleasure to the lovers of dainty and exquisite millinery. Call and see them on Friday and Saturday. Respectfully, MRS. GEO. RION.

## Police Court News.

In Judge Webb's court yesterday John Hall and G. W. Ellis were each fined \$7.50 for being drunk and disorderly.

Albert Helvey who stole a pair of trousers from Harry Simon's store, and sold them for twenty-five cents to Hack Taylor, was given sixty days in jail. Taylor, for receiving stolen property, was given a similar sentence. Both are well-known in police court.

John Banks, who was fined \$25 and sentenced to ten days in jail for carry concealed weapons, at Millersburg, is repenting in jail.

## Prettier Than Ever.

EVERYBODY at Mrs. M. Parker's is busy as can be getting ready for the Spring display of millinery to take place Friday and Saturday. The display this season will far surpass in beauty and style those of former years. All that can be done by care and skill is being done. No collection in Central Kentucky will eclipse Mrs. Parker's for style. The ladies will take much delight in viewing and discussing the novel, nobby and up-to-date ideas expressed in her millinery. Remember the opening days—Friday and Saturday, April 24 and 25.

If you want to see a beautiful line of straw matting, call at J. T. Hinton's and you can be satisfied.

## Circuit Court Adjourns.

THE March term of the Bourbon Circuit Court adjourned Saturday. There were fewer Commonwealth cases tried at this term than for several previous terms. Last term fourteen prisoners were sent to the penitentiary, and this term there were but two convicted. They were Ernest Dodge, two years, for burglary, and Will Mack, two years, for robbery. Both men were negroes. They will be taken to Frankfort to-day.

While sitting in the Circuit Court room Friday we were happily entertained by W. H. McMillan's and Harmon Stitt's arguments in the case of Selby Lilliston against the city of Paris. Mr. Stitt represented the plaintiff and Mr. McMillan the defendant. The suit was brought by Lilliston to recover pay for the land occupied by Lilliston avenue from Williams street to the intersection of Higgins avenue and from that point along Higgins avenue to the Howard property. Mr. Lilliston claimed that he had given the land to the city under certain conditions, but that those conditions had not been complied with. He was given judgment for \$7 per front foot for the Higgins avenue ground and \$5 for the Lilliston avenue ground, aggregating near \$500.

## Paris' Proposed Street Cars.

THE prospect of a line of electric street cars being built in Paris is brighter now than it ever has been. It is likely that a company will be organized and incorporated this week, and steps will immediately be taken to secure a franchise.

Several of the most enterprising, pushing citizens in Paris have interested themselves in the matter, and the stock will be offered to the citizens in a few days. One merchant has signified his willingness to take stock and donate one dollar for every foot of his property which fronts on Main street.

This is an enterprise which will benefit every merchant and property holder and be a credit to the city. The shares will be placed at fifty dollars each, and every man who can afford it should take stock in the company.

Don't be afraid street cars won't pay in Paris. They have proved to be paying investments in cities of smaller population and not so well adapted for them as Paris.

HAVE you seen those straw cushions at J. T. Hinton's? They are the very things for your porches. Get some of them now.

## Known In The Bluegrass.

THE following notes are gleaned about ball tossers known in the Bluegrass: Kahoe, who is on the pay roll of the Cincinnati Reds, will play with Indianapolis in the Western League. Matthews and Maloney will be with the Newport Reds, and Hornberger, Berte and "Sham" Myers will play with the Blue Licks. Sam Leever will pitch for the Richmond (Va.) team, of the Atlanta League, and will get \$150 per month and expenses. Bill Nye has joined the Norfolk (Va.) club. Tannehill is a member of the Pittsburg team. Theo. Conover will twirl for the Nashville, (Tenn.) team.

## Important Notice.

ON and after April 1st, 1897, I will work strictly for cash. I will keep no books and will therefore not credit anyone. I will discount my bills ten per cent, but will positively not do any credit business. I am compelled to give my collector ten per cent, for collecting my bills, and, therefore, I will lose nothing by this method, but will protect myself from losses and at the same time I will save my patients ten per cent.

I will thank my patients if they will call and settle all their old bills and save costs.

Thanking you for past kindnesses, I hope still to merit a part of your patronage. Sincerely, (30mar-tf) DR. J. R. ADAIR.

## Inherits A Fortune.

GUS WESSLEMAN, who drives a dairy wagon for James T. Kiser, of near Paris, has been notified that he has inherited one-fifth of an estate in Germany, valued at \$85,000, left by his uncle, Henry Tegler. Other heirs are Wesselman's brother, Con Wesselman, and sisters, Mrs. Lon Trenipole and Mrs. Lizzie Crehagen, all of Covington. Con Wesselman and an attorney, who have gone to Germany to claim the estate, write that they will soon have the business settled.

## A Big Contract Completed.

J. M. THOMAS & SON, of this city, have completed their contract of building twenty stables and twenty kitchens at the grounds of the Queen City Jockey Club, near Newport. The stables, in all, contained 250 stalls, and the work was done by a force of thirty Paris carpenters. The contract was worth about \$8,000, and a goodly sum of the amount will be spent in Paris. Secretary Gratz Hanly and the other officials are well pleased with the work.
